

The Torrs Warren Country House Hotel, recently under new management is a perfect base for your business customers .

With real fires, a cozy warm atmosphere, comfortable rooms, ample parking, a bar , a new lounge, a breakfast conservatory and a private dining room, with fresh locally sourced food this really is the perfect place for your staff or suppliers to enjoy a couple of days in comfort .

All the rooms have a shower or bath or both and have been fully refurbished.

Torrs Warren is in south west Scotland – very close to the Dunskey, Logan, Ardwell and Lochinch gardens , and close to Stranraer , as well as being just 6 miles from Portpatrick.

All around the hotel are beautiful countryside trails, secluded coves, rugged cliffs, enchanted forests and long sandy beaches.

The two ferry ports to Ireland are only 20 minutes away at Cairnryan. Sample a day away, if coming from Northern Ireland.

Originally the Church Manse...

...but now newly refurbished and converted into a very comfortable boutique countryhouse hotel, Torrs Warren Country House Hotel still retains many of it's 18th Century features such as the curved cantilevered staircase.

Comfortable accommodation is offered in ten en-suite bedrooms, with baths or showers or both, all with TV and coffee ,tea and refreshments.

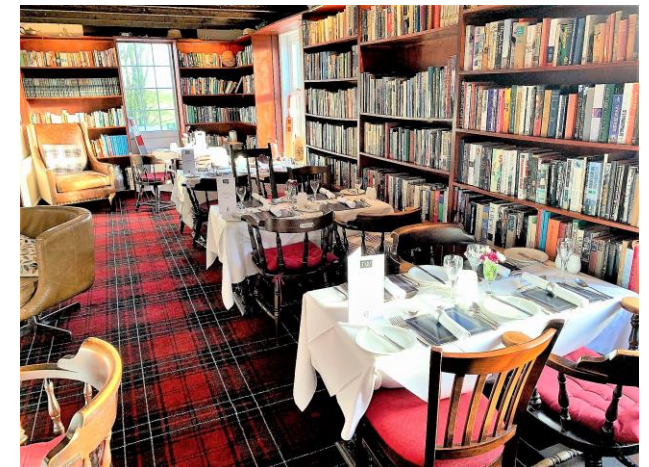

A fresh Scottish Breakfast cooked to order is served in our bright conservatory, and lunch and dinner is served in the private dining room or cozy bar with International or Scottish cuisine, carefully prepared and presented, using only local fresh ingredients complimented by an interesting wine list.

Home from Home

We are trying to make the hotel feel like a home with a relaxed, personal service, to a high standard .

The staff are all local and are always willing to pass on their local knowledge to make sure you see the very best of the area .
